Expectations

This is a competitive program which means we expect all players to be fully committed to their team, the club, and bettering themselves.

Players are expected to attend all tournaments, all practices, and all team events. If for some reason there is a conflict it must be communicated to the coaches and the directors in writing (email/text) with ample time to prepare for any necessary changes that would need to be made to line ups and/or practice plans. We are not able to pro-rate costs for players that are missing practices for other commitments or for players that suffer from injuries during the season.

6

Team Parent

Each team will need a team parent. Team parents will have their parking and entry fee paid for by the club.

Responsibilities

- Organize food- collect money and buy food for everyone, collect money and buy to go food, organize food matrix, etc.
- Arrange reservations for dinner if necessary
- Check-in with parents about room accommodations.
